A Place To Learn, Play and Grow

Chapter One Childcare provides you the parent and your child the best in quality childcare. Based in Edinburgh & North Yorkshire, we give your child the opportunity to experience and enjoy the world around them. You can feel at ease knowing your loved one is being cared for by experienced, friendly staff in a safe and homely environment.

We believe in learning through play and aim to teach our children through valuable and unforgettable experiences.

Although we're not their parents, we care for them each day,
We cuddle, sing and read to them, and watch them as they play.
We see each new accomplishment, help them grow and learn,
We understand their language, we listen with concern.
They come to us for comfort, we kiss away their tears,
They proudly show their work to us, we give the loudest cheers!
No, we're not their mothers, but our role is just as strong,
We nurture them and keep them safe,
though Chapters One is not long!
We know someday the time will come, when we will have to part,
But we know each child we cared
we will have given them a caring, loving start!

A new beginning – Chapter One – Where your child's learning story will begin!!

About us

The owners of Chapter One Childcare, Jon and Diane Gillam have over 35 years' experience in the setting up and managing of crèches and children's day nurseries. Caring for children of all ages, Diane is committed to ensuring that excellence in care is delivered. Jon is the Financial Director.

Diane's duties and responsibilities are checking that standards are adhered to, supporting the management team and delivering staff training to support development and progress within the working teams. We have a strong management team which has been built through succession within the company over the past 10 years. Each of our managers have a strong belief in our ethos and support each other. We hold management meetings once a month to share good practice and discuss developments within the nurseries.

**We train the
right people,
to do the
right job!**

Our Ethos

We believe that learning should be fun and fun should be learning. Learning happens everywhere especially in an ever-changing outdoor environment. Our focus is on the children, they are the future and the most important people and they should be treated so. We expect our teams to see learning from the child's point of view by getting down to their level, only then we will see what they are seeing everyday.

As adults, we are here to facilitate play and learning opportunities, we will not get in the way of natural learning experiences. We will simply match the curriculum with the children's interests and needs.

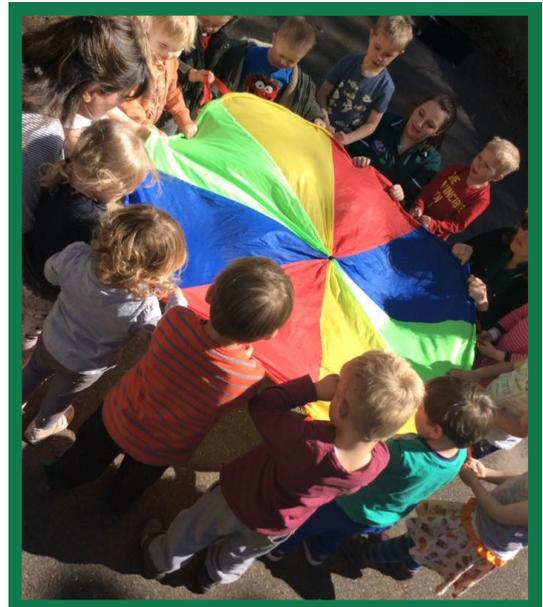

We want children to learn without even realising they are doing so.

Our Aims

We aim to be different and provide children with a hands on approach to learning. By trying and doing, instead of hearing and seeing. We want the children to lead their play and experiences and for us to provide a safe and naturally stimulating environment thus resulting in our children becoming confident, responsible, effective and successful in all they set out to do.

We will work in partnership and consult with other professionals, parents and young learners to extend our hands on learning approach to our staff teams to encourage staff development and training.

Extra Curricular Classes

We want every child to have the skills, confidence and motivation to be active and healthy.

Enjoy-a-Ball classes are action-packed, fun-filled weekly sports coaching sessions, designed to nurture and develop your child's abilities, confidence and fitness.

Our younger Enjoy-a-Ballers learn fundamental movement skills as part of their journey to becoming physically literate. Things like throwing, catching, kicking, jumping and running super-fast (to name just a few). These skills are very important as they are the "building blocks" or foundation for more complex and specialised skills.

Classes are optional and are held on a Wednesday morning.

Extra Curricular Classes

For mini groovers aged 18m – 5 years we offer Step it Up Dance classes, these classes promote enjoyment of music, movement and basic hip hop dancing within a safe and encouraging environment. This is a fun and funky form of dance together with loads of fun, laughs and praise along the way!

Classes are paid for the by the nursery so all children who attend on a Thursday get the chance to participate!

Extra Curricular Classes

Daisy's Music is all about keeping music live! We play real instruments and are qualified professional musicians. We do not use backing tracks and we feel that this is what makes us unique and adds to a quality learning experience.

Classes are paid for the by the nursery, Badgers and Squirrels class is on a Monday and Foxes is on a Wednesday.

The benefits of a nursery setting is the extension of family feeling and the being involved in development of the nursery from the beginning. Parents are our partners in learning and we will display excellent communication by not only daily face to face contact and making time for discussion, but we also share information via Facebook—Website updates, latest new publications and parent evening as well as online learning journals.

We have a settling in procedure to welcome families into nursery and work with parents setting out individual care plans.

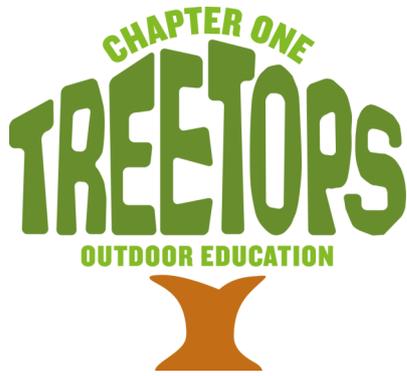

Working in partnership with parents is central to the way in which we work. Early years practitioners need to find out about children's early experiences from parents so that we can best plan for their learning.

All contributions from parents are welcomed. Helping out during sessions, sharing their interests or cultures with children and taking part in discussions about the provision all provide the opportunity for parents to learn about the life of the setting and about young children's learning, in the setting and how this can be supported at home.

This all forms a great partnership to ensure your child get the support to meet their individual needs.

We also have a Parent Committee made up from parents across Chapter One Nurseries.

Split placement opportunities
Between
The Country Park Nursery and
Treetops Outdoor Nursery.

Chapter One has the huge benefit of other nursery settings, in this case we have our fully outdoor nursery set within the country park too. This is our Treetops nursery and the children attending this call themselves “Treetoppers”. The “Treetoppers” also have an indoor base for drop of and pick up which is situated at the front of the nursery. They work very closely with the nursery and of course being a part of the same group everyone works as one team.

“Imagine a place where the carpet changes every day, the ceiling is a wealth of different colours, light, shadow and movement. The feelings and movement completely surround you, sometimes breezy, sometimes cold, others warm. Unexpected wonders fly by, sometimes full of colour and sometimes full of noise and movement. If we really want children to thrive, we need to let their connection to nature nurture them.”

A split placement between these two nurseries offers the best of all worlds ! To allow children the opportunity to build great childhood memories, a gently challenging outdoor investigation zone which, supports young children to develop emotional confidence and skills, then the woodlands where they can feel the freedom of a fully natural environment.

Children from the age of three years can chose to join Treetops for a day or two and spend the majority of the day outdoors in all weathers within the beautiful grounds of Dalkeith Country Park. The nursery has a designated base camp (only a 10 min walk from nursery) for den building, tree climbing, woodwork and fire pit.. This camp provides the children with a beautiful location to explore the best nature has to offer.

Why choose us?

Because you want the best for your child!

High quality childcare, with excellent grades.
Strong belief in staff development & training.

We are privileged that every year hundreds of parents make the choice to let us share their family care for their children, in the knowledge that they are in caring, fun and safe environments.

We pride ourselves on having a pro-active management team who lead the teams of staff through continuous development to engage children in early learning experiences.

Quality controls are in place to ensure that the highest of standards of care are given within safe and stimulating environments.

Our HMIE and Care Inspectorate reports illustrate our ongoing commitment to providing the highest possible levels of safety, care and education .

Our expertise in childcare means we are actively contributing within the council's development of education being part of two pilot scheme initiatives, 'Health and Wellbeing' and 'Numeracy and Mathematics in the Early Years'

With over 35 years expertise and an excellent 10 year reputation upon which we have built our success

Quality childcare is often something you would see when people describe their provision—the difference is, for us , it's not just a statement.....

It's a fact and something we practice in our every day work!

**We look forward to starting your
child's first chapter together!**

Social Media

We have a main Chapter One page and a Treetops page. These pages are open to the general public. We also have a closed Facebook page for the nursery which means only parents of children who attend the nursery can access this page. Upon booking a place at our nursery you will added to the closed group.
